

# Instructions on purchasing the RealUnit share token with the Hypothekarbank Lenzburg Wallet

## Important Information:

The custody service offer of Hypothekarbank Lenzburg (HBL) for our RealUnit share tokens is only available to **private individuals domiciled in Switzerland**. The conditions of HBL can be found on the website <https://www.hbl.ch/krypto-banking/>. When purchasing our share tokens with custody at HBL payment is only possible by bank transfer. Payment in cryptocurrency is not accepted by HBL.

## Purchase process for our share tokens with the HBL Wallet

1. Visit our website <https://realunit.ch/en/buy-realunit/#token> and read our registration agreement which you'll find in Step 1 <https://realunit.ch/downloads/#registrierungsvereinbarung>
2. In Step 2, «Set up a Wallet» under «4. Wallet with HYPOTHEKARBANK LENZBURG» you can find information about the fees.
3. You can skip Step 3 «Register your wallet with the company»
4. At step 4 in the "Quantity" tab you can enter the desired number of share tokens you would like to buy. The purchase is possible only via bank transfer (no cryptocurrency). Click on "Start Buying" (see first screen shot below).
5. Select HBL your chosen wallet. (see second screen shot below)

6. In the "Registration" form, please fill in all fields truthfully and check the box confirming that you have read the privacy agreement and our registration agreement. Click on "Next" (see following screen shot).
